

1950 LENS

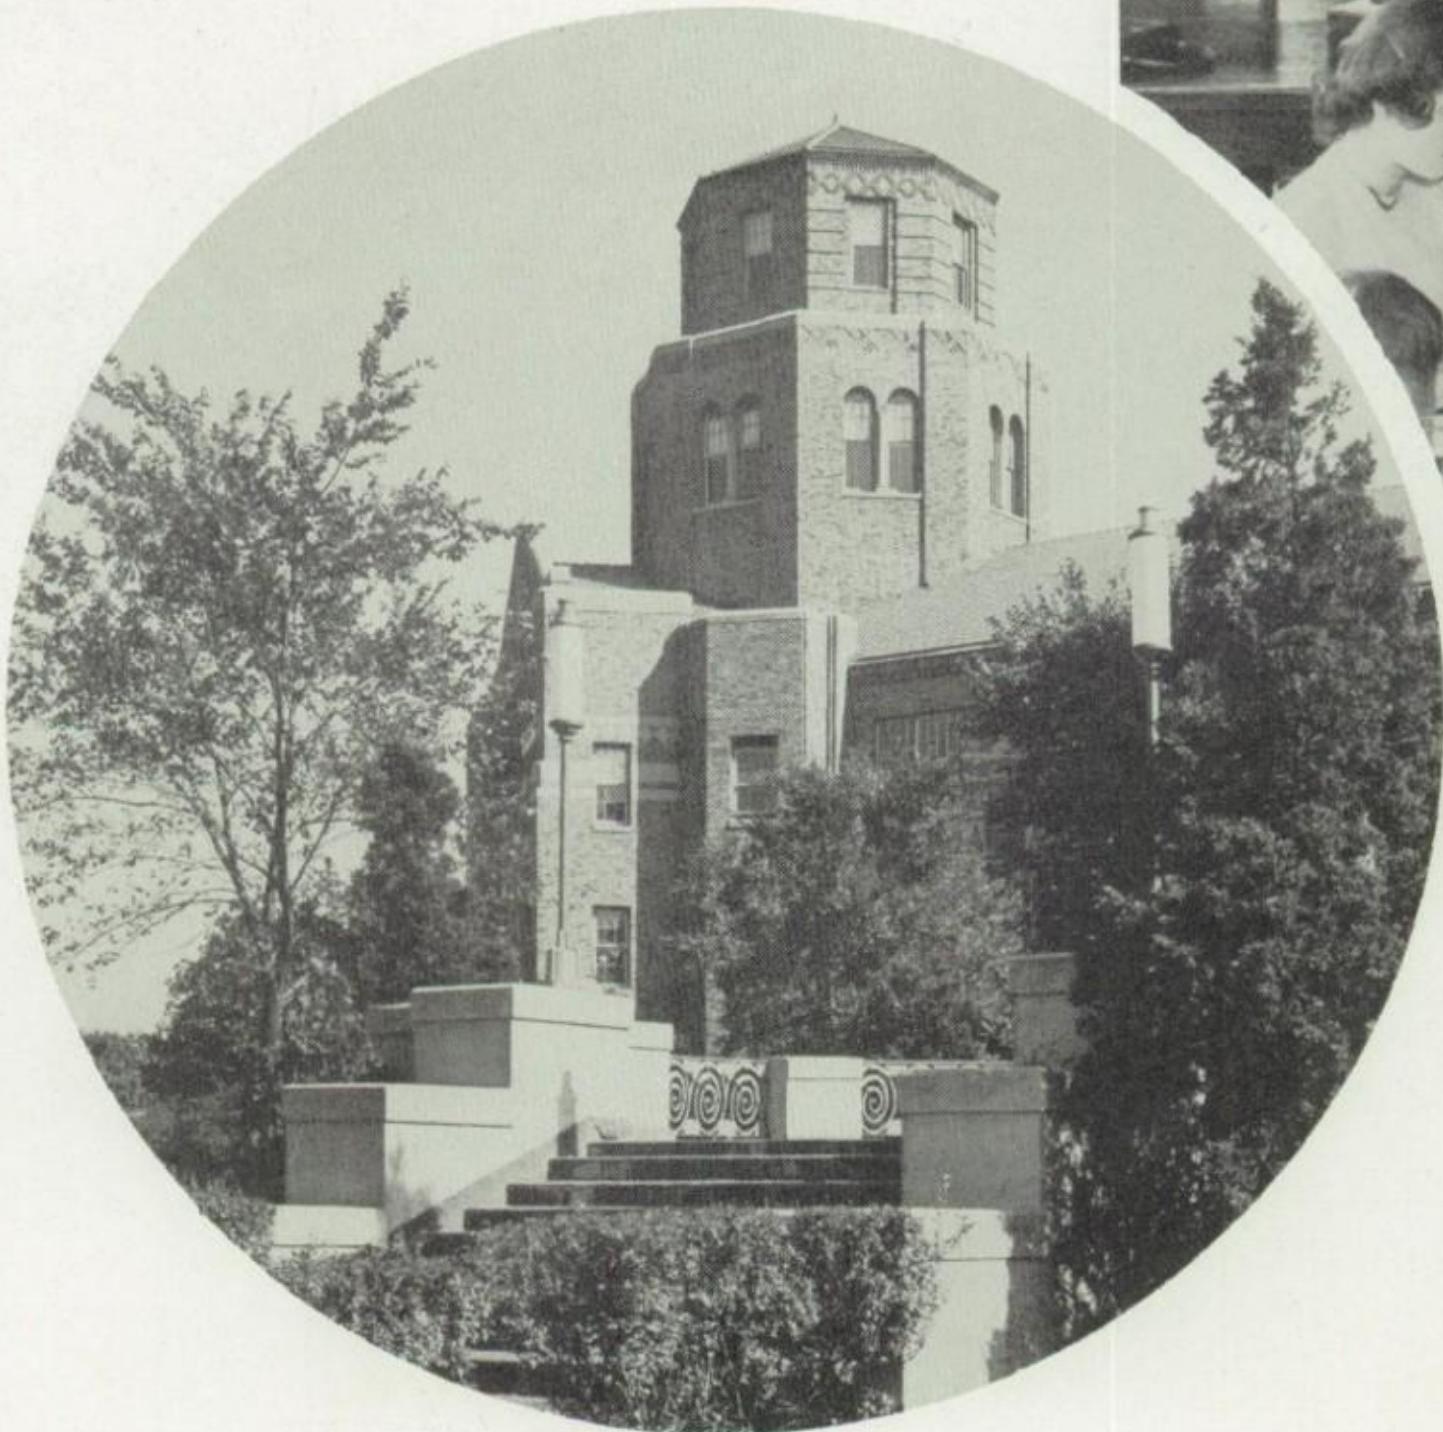

Maine Township High School  
Park Ridge or Des Plaines, Illinois

We have come to know this annual publication by the term "Year Book". The name achieves significance only because of our familiarity with the contents of past issues. Were we to rename this book with a title that might reveal something of its fibre we would call it "Our Diary".

Actually it is a report on the highlights of your life at Maine. It is a record of the outstanding activities of the 1900 people who are mentioned within its covers.

As you read these pages and relive the past year, we hope your enjoyment of "the story" will be greater because of the part "written in" by you.

The dedication of this book should, therefore, be to you, because the pen was in your hand.

# ADMINISTRATION

### Board of Education

Each year a board of education has problems peculiar to the needs of that period. This year the Maine Township High School Board of Education has found its duties particularly arduous and exacting, yet potentially rewarding in-as-much as the construction of a major building addition promises to bring to the citizens of our township much needed educational facilities.

Selflessness must be strong in men who assume the grave responsibilities attendant upon the training of youth for citizenship.

The Board of Education for 1949-1950 consists of: Otto Damgaard; Dr. Allan G. Brodie; C. Dewey Imig, President; Emil W. Bergman, Secretary; and Walter H. Rohe.

# Main

Although Mr. Harry D. Anderson has been superintendent of Maine Township High School for only a year and a half, the entire institution reflects his leadership and example. Student morale, citizenship, and willingness to work out problems of school relationship have reached a high level. There is a wholesome school spirit here—the mark of a capable and experienced administrator. That's our Mr. Anderson!

# Office

Harold Markworth

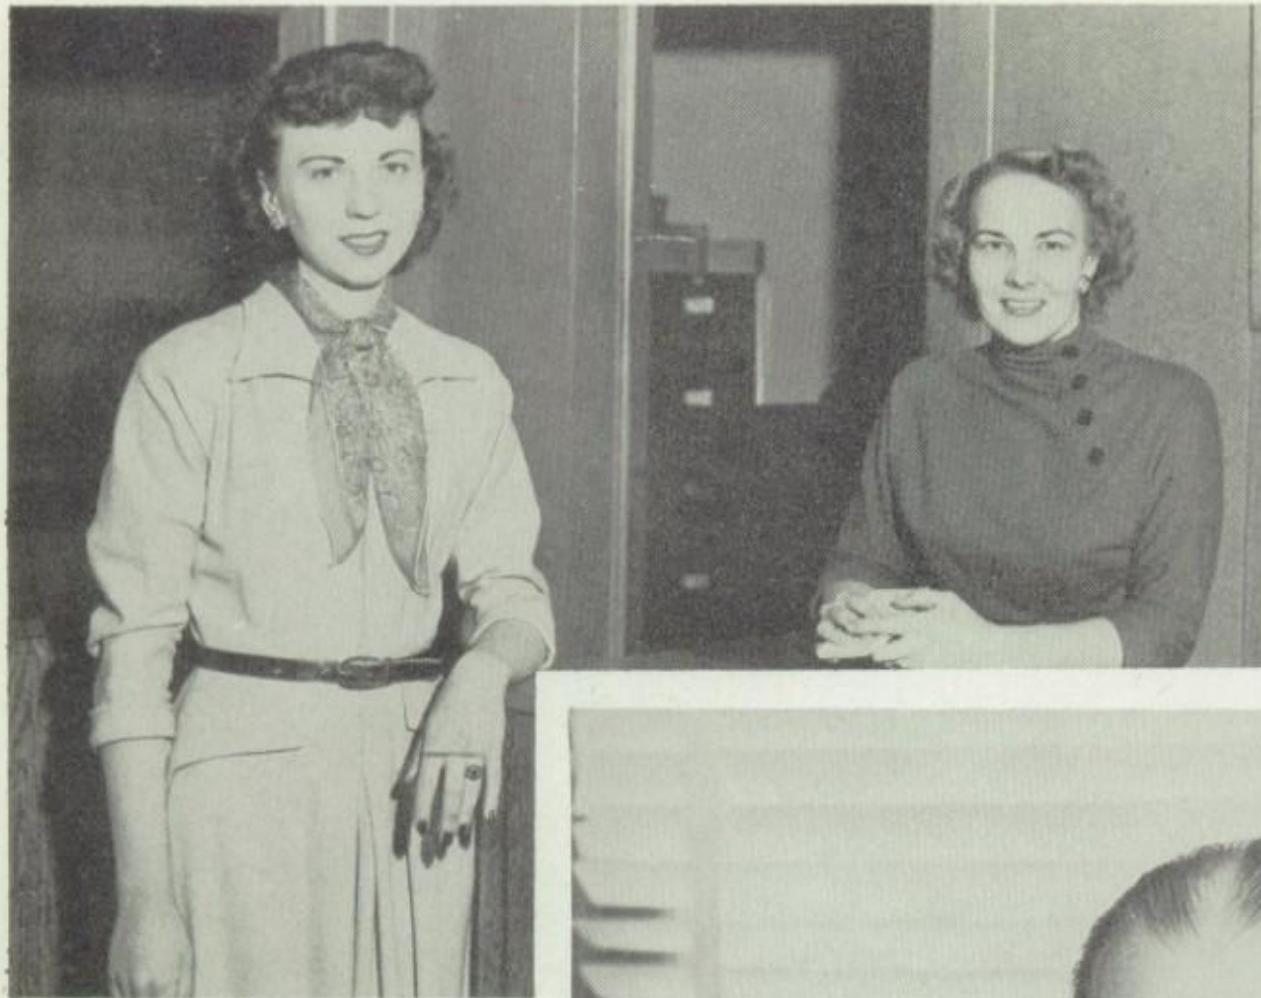

Above right is the main office staff. Standing from left to right are Juanita Zoern, bookkeeper; Mabel Tyssen, receptionist; Mary McDonald, registrar; and June Froggatt, bookroom clerk. Seated are Betty Geiger, board of education bookkeeper; and Martha Hendrickson Zitzewitz, secretary to the superintendent. Mr. Harold A. Markworth is Business Manager.

Our assistant superintendent, Mr. Calvin L. Legg, educator, counselor, and friend, plays such an important role at Maine that he seems to be everywhere at once. For fifteen of his twenty-two years at Maine, Mr. Legg has served as assistant superintendent. Because of his genuine interest in students and his great understanding, he has been a lasting influence in the lives of the thousands of boys and girls who have passed along Maine's corridors. Maine would not be Maine without Mr. Legg.

## Personnel

Mary Klipp and Dorothy Lever

Milo S. Johnston

# Office

Here at Maine P.O. Means personnel office. All school activities, both curricular and co-curricular, are coordinated and directed by the P.O. Miss Mary Klipp, personnel secretary, and Mrs. Dorothy Lever, attendance clerk, keep student records and assist the personnel director and counseling staff in their clerical work.

Mr. Milo S. Johnston holds down two big jobs. He is director of personnel, also dean of junior and senior boys. In his twelve years as dean, thousands of boys have benefited from his kindly counsel, vocational guidance, and assistance in college selection. Mr. Johnston sponsors one of Maine's largest organizations, the Boys' Club.

As dean of upperclass girls, Miss Lulu Mae Johnston, has more than 500 girls under her guidance. She plans individual courses of study and offers counsel in the numerous every-day problems which confront her wards. She also serves as co-sponsor of the Girls' Club.

Mr. Ralph Frost is a big man in a big job. He's dean of freshman and sophomore boys. Underclass boys find Mr. Frost a genuine friend and helpful counselor throughout their early years at Maine.

As dean of underclass girls, Miss Agnes Brady keeps a large flock of "chicks" under her wing. Her girls appreciate her helpful and friendly guidance during their freshman and sophomore years. She also co-sponsors the Girls' Club.

Miss Twyla Freeman, clinical counselor, is a consultant who not only serves Maine but also the elementary schools of Park Ridge and Des Plaines.

# Library

Miss Kuhn, assistant, and Mrs. Clough, head librarian, are ready and able to help the students in search of information or leisure time reading. Because of the excellence of the library this year Maine was honored by being host to the seventh annual high school library clinic. One hundred and sixty schools from the Northwestern Illinois Area were represented. Teachers and librarians gave informative talks on the betterment of school libraries.

# ACTIVITIES

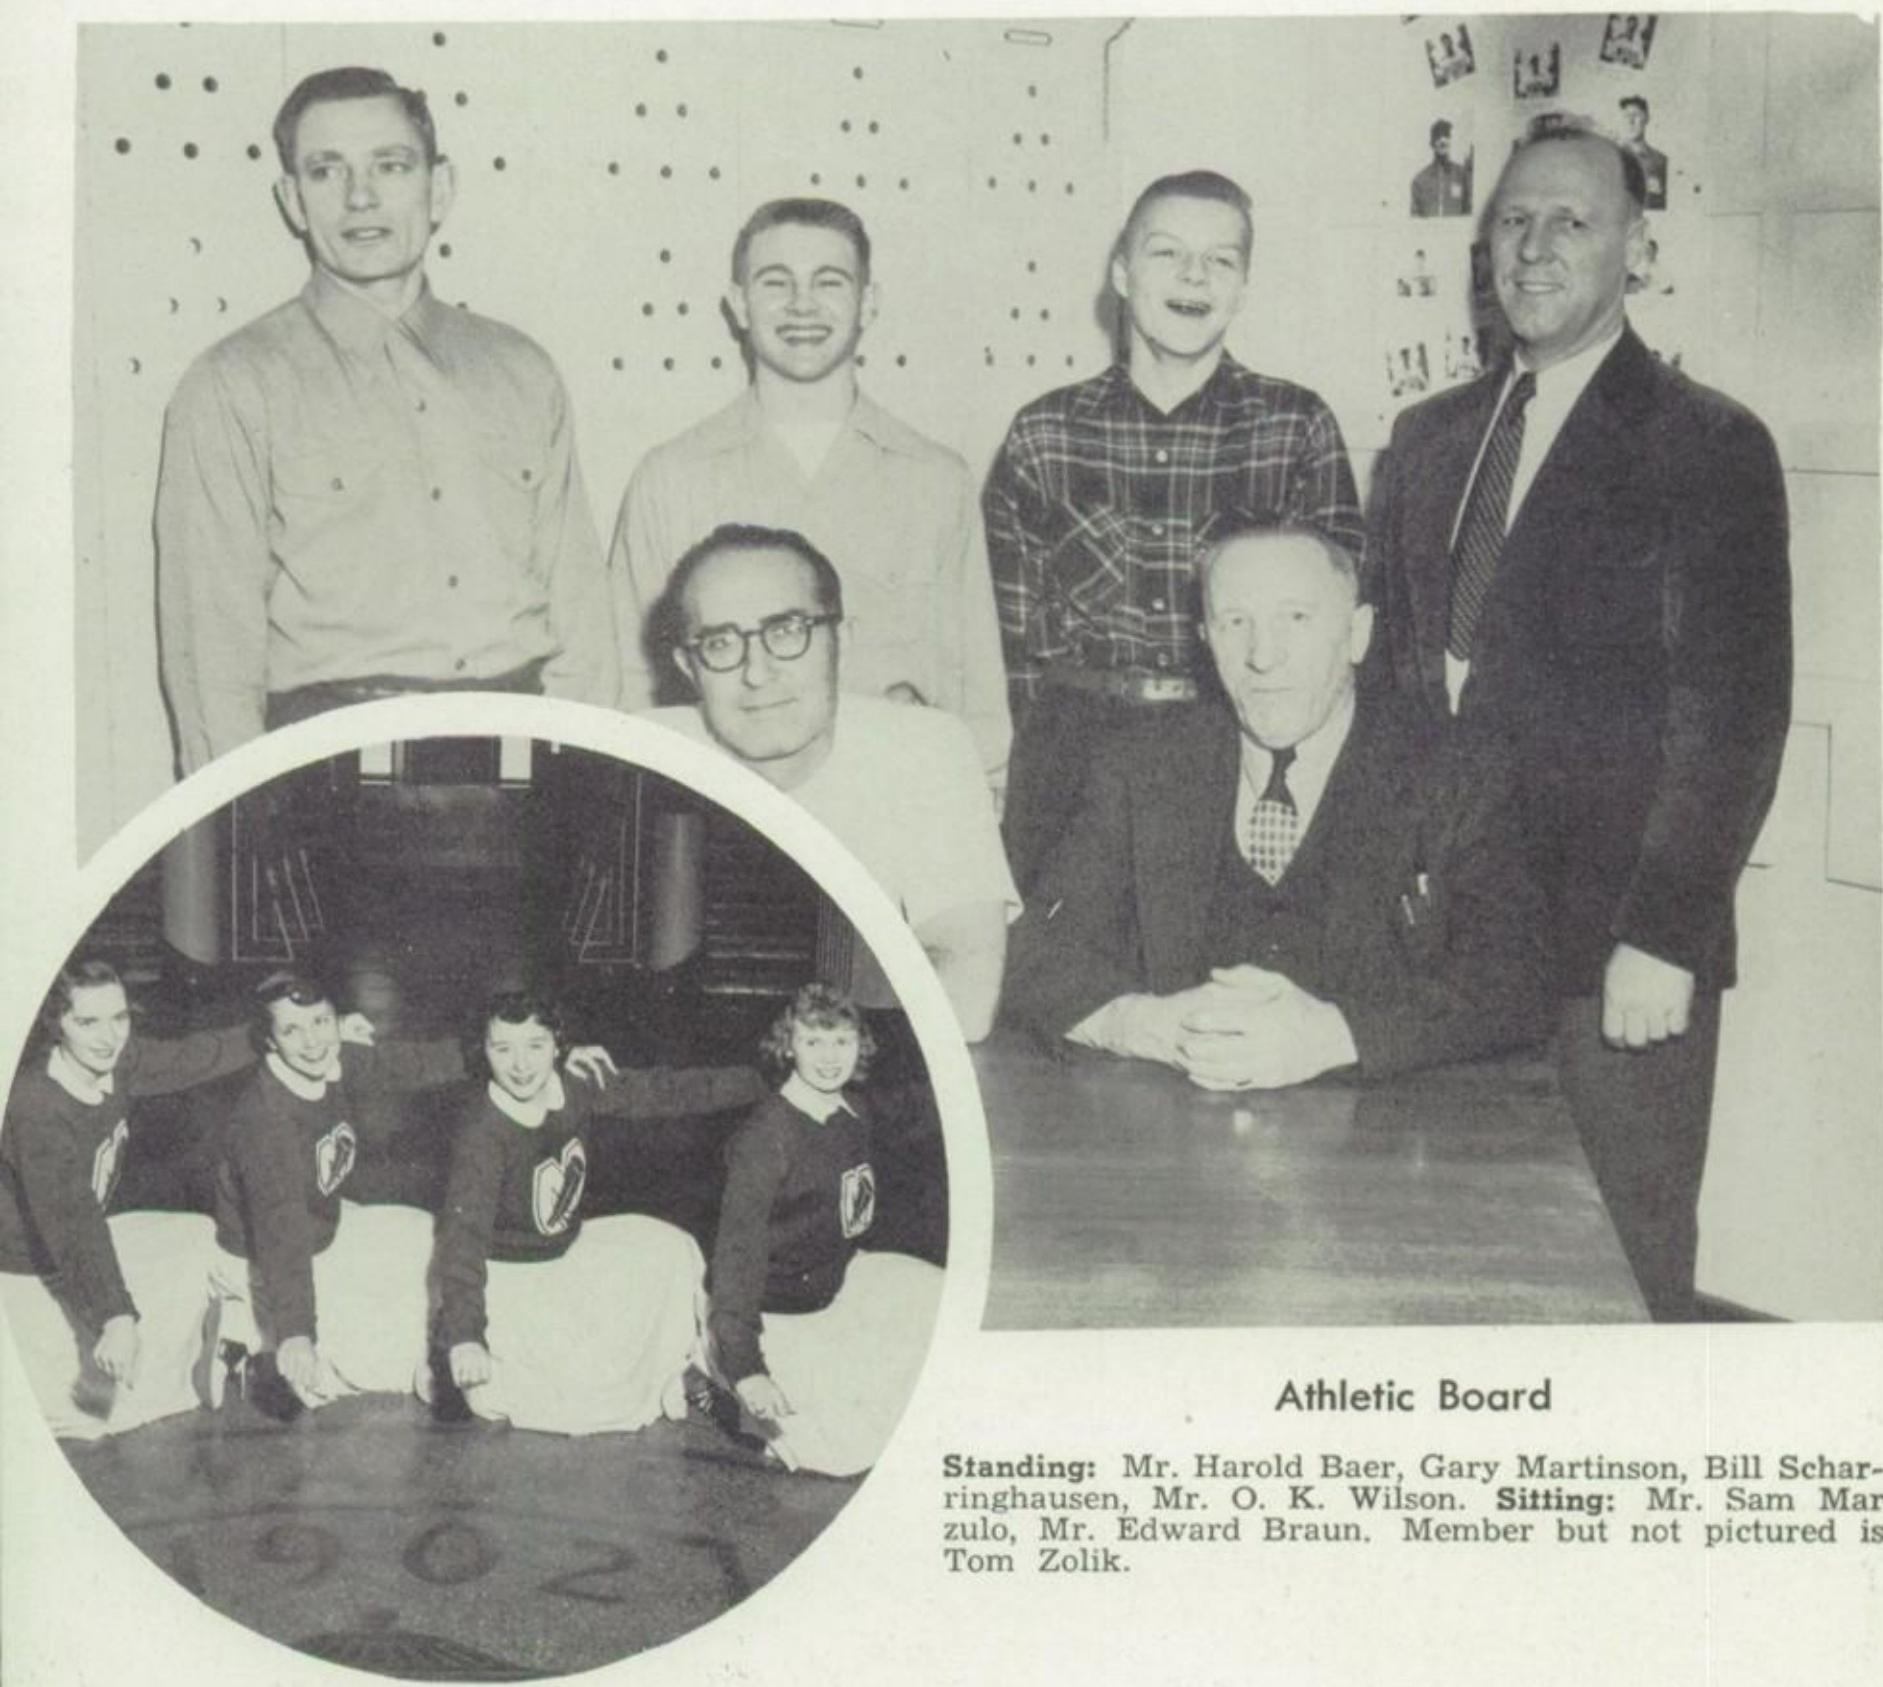

# Sports

Maine's 1949-50 sports season was not highlighted by any conference championships or all-state ratings. It was just an average year, but like all average years, there were exciting moments and games, sometimes ending in victory, sometimes resulting in disappointment. It was a year, though, which we may recall with pleasant memories.

After just barely losing the sportsmanship trophy to Hinsdale last year, Maine was again on top of the race most of the year. There was a great deal of debating this year as to whether or not the rules should be changed in an effort to make the contest a more effective one.

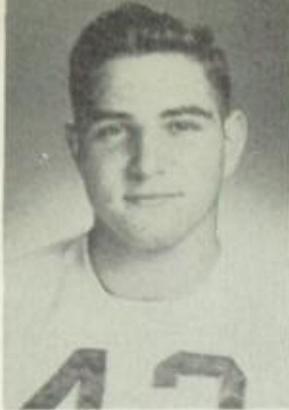

As we look back over this year, it does not seem so average, though, when we consider the true spirit with which the Blue and White fought whether on the gridiron, the cinderpath, the basketball court, the wrestling mat, the swimming pool, the tennis court, the golf course, or the baseball diamond, and the encouraging way in which they were backed by their fellow students.

## Have A Good Season

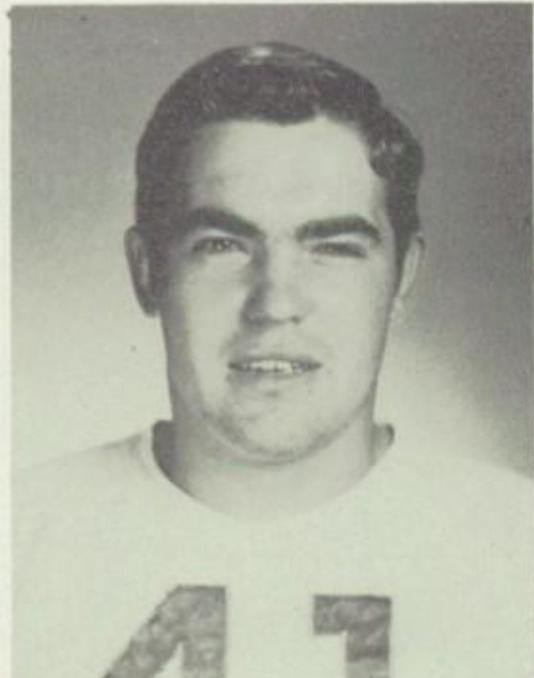

Coaches Kenny Olson and Bruno Gates, taking an inexperienced varsity team with only two returning lettermen, turned out one of the strong football teams in the West Suburban Conference during the 1949 season. Maine, which placed fourth in the conference with Hinsdale, ended with a season record of four wins and five setbacks, but all of the losses except one were via a margin of six points or less. Jack Cole was chosen tackle on the first string of the all conference team and Jim McLaughlin received an end birth on the secondstring. Cole was also named as an all state center, being the third Mainite in three years to receive this honor.

A very powerful frosh-soph team, well coached by Kermit Ambrose and Norman Kirby, had one of its best seasons in recent years. They tied with La Grange and Hinsdale for the conference championship and had a record of seven wins against two defeats.

Under the direction of Herman Rider and Robert Wells the freshman team also captured conference honors, going undefeated in all of its six games.

Taking all into consideration, we definitely owe loud cheers to all six of our competent coaches and a nod of appreciation to the boys who made us so proud of our football teams.

The scores of the varsity games are as follows: Maine beat Thornton Fractional 20 to 12, Glenbard 20 to 13, Hinsdale 19 to 2, and York 40 to 24, and lost to Elgin 7 to 20, East Aurora 13 to 18, Downers Grove 6 to 7, La Grange 7 to 13, and Riverside 21 to 23.

# Varsity Basketball

Maine's Varsity basketball team this year did not have one of its best seasons, yet it could have had a worse one. Winning only one conference game out of twelve, the Blue and White finished last in the West Suburban Conference and ended with a season mark of three wins and nineteen losses. However, the Demons lost seven games by five points or less and during the last few weeks of the season, when they began to use a different style of ball playing, looked like an above average team and turned in some creditable performances. Bob Glader was named a second string guard on the All Conference Team and Dunc Welty received an honorable mention at the center position. In consideration of all of the facts, Coach Kenny Olson certainly deserves praise for the good job he turned in directing our varsity.

Under the supervision of Coach Kermit Ambrose for the first half of their season and Coach Bruno Gates the other half, the frosh-soph basketball squad placed second in conference standings with a conference record of seven wins and five defeats and a season record of ten wins and eight losses. Under Coach Gates they won seven straight games before losing their last one.

Although football and basketball receive most of the student body attention and interest at Maine, there are many other sports which are just as important and competitive even though they are not as exciting to the spectator. Some of these sports are carried on during the fall, some during the winter, while others in the spring. Very often a team participating in one of these has brought fame as well as respect to our school through compiling an outstanding record.

Maine had nothing to complain about with respect to its cross-country team. The harriers won five out of seven meets. They placed third in the conference and district meets. Eight members of the squad earned their letters.

Our wrestling team, which is traditionally good, had a better season than most of our other ones. With only four returning lettermen, it compiled a season record of ten wins and two defeats, placing second in the sectional meet. Three of the grapplers, Captain Vic Locascio, Dave Elvart, and Bill Holden, were good enough to go to the state meet. However, Elvart was the only one who could place, winning in the consolation finals.

The varsity swimming team fared fairly well this year. Coaches Baer and Holbrook, with only six seniors and six returning lettermen on the squad, piloted the mermen to a five win-seven loss mark, with Ned Shields, Joe Byrne, Larry Ham, and Bob Czerwonky pacing the team. The frosh-soph, however, did not do so well. When the season ended, the score book showed that they had one win, seven losses, and one tie.

Prospects were good at the beginning of the season for Maine's track team. The squad, with seven returning lettermen, had all appearances of being well-balanced. Standouts at the season's opening seemed to be Jack Cole, Paul Johnson, Dick Berghs, and Bob Brown.

After placing second in the conference and third in the district in 1949, Maine's golf team had high hopes of a good season this spring. The team was led by its three returning lettermen, Bob Glader, Steve Humes, and Ken Simon. Coach Baer directed the team this year.

Maine's baseball team looked forward to their season this year with high spirits. Last year, although they finished third in the conference, the squad came out second in the state baseball tournament. However, all but three lettermen on that team have graduated. Coaches Wilson and Brown have had to rebuild their team, hoping for the best.

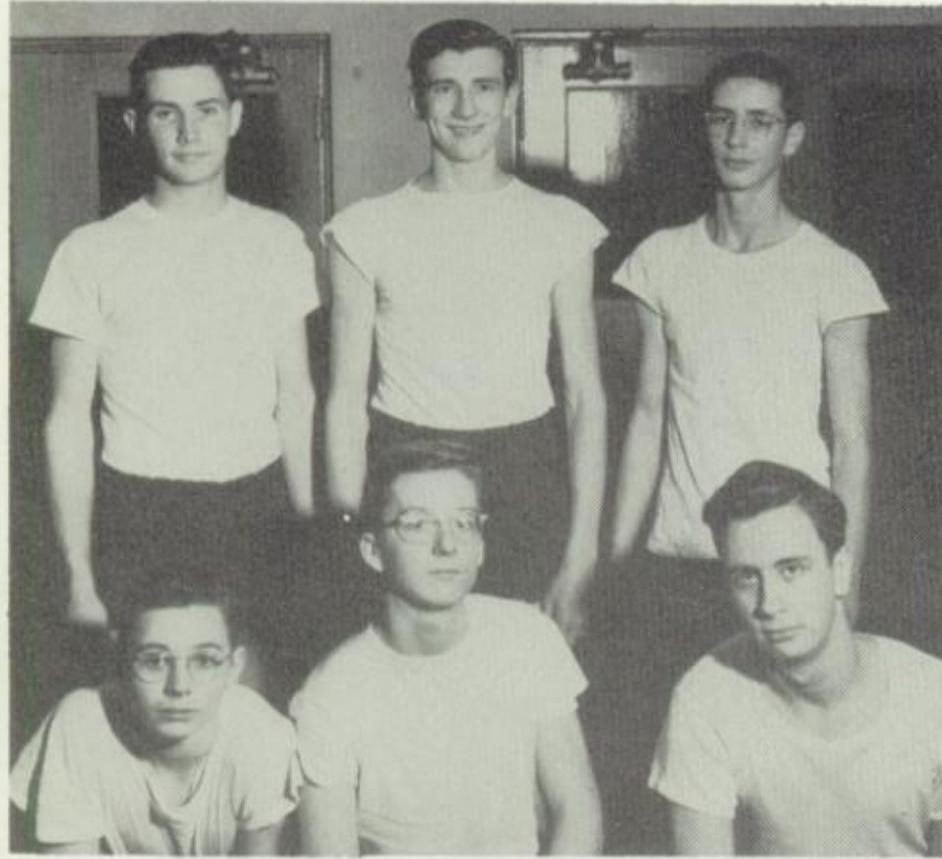

Prospects for Maine's tennis team were fair for the 1950 season. Coach Olson had four lettermen returning to his squad, which is usually larger than the one this year. The team won three meets and lost three last year and placed sixth in the conference meet. Looking ahead at the beginning of the season, the most promising players seemed to be Bob Czerwonky and Ted Potter.

# Intramural Sports

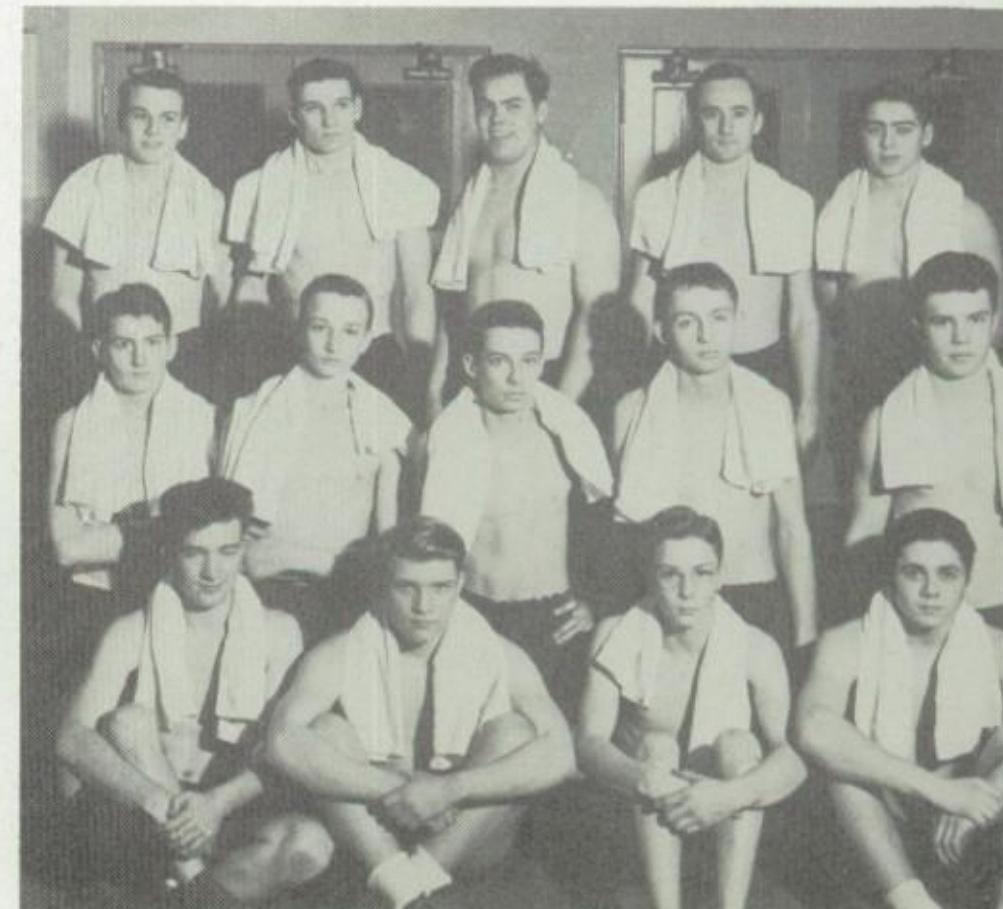

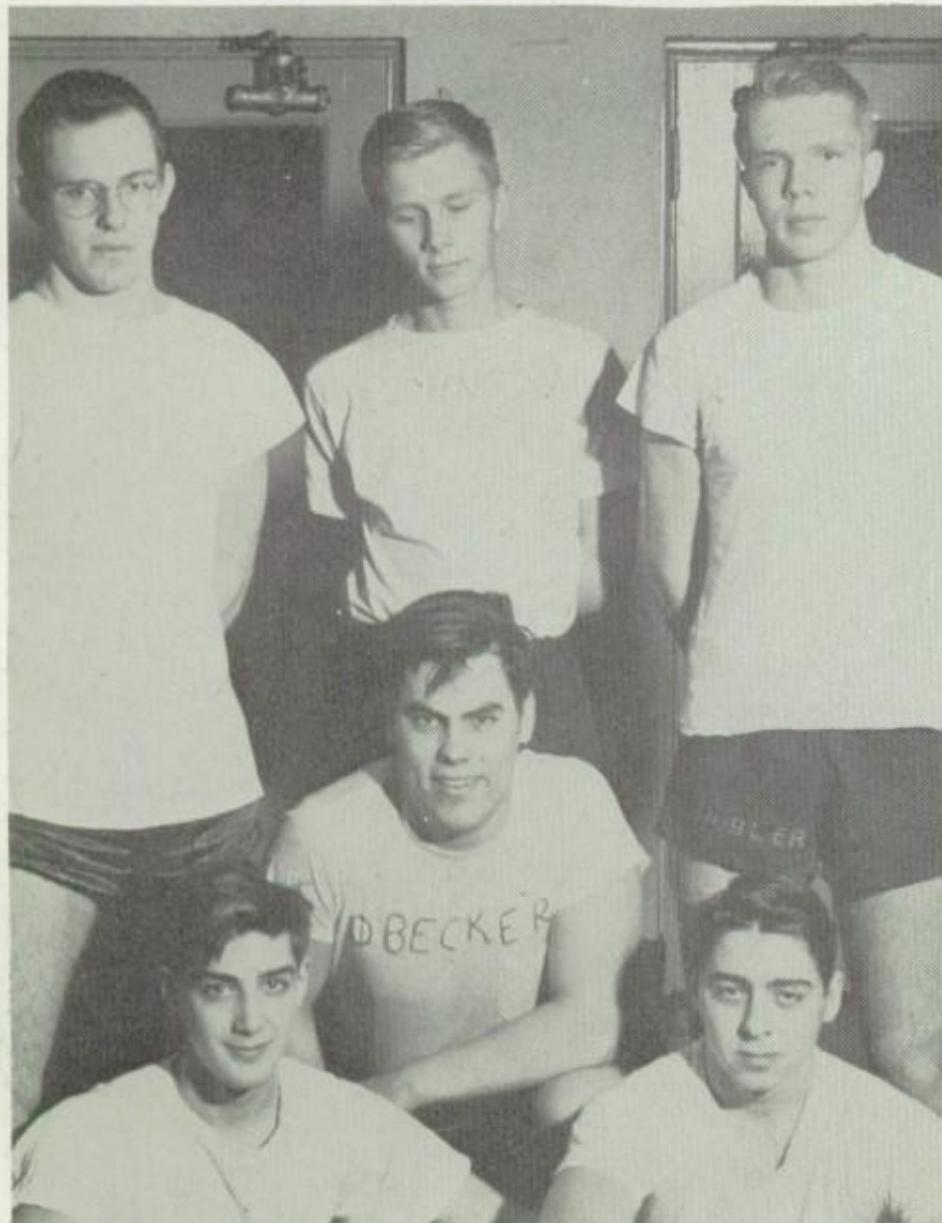

For the third year now an extensive intramural program has been carried on at Maine under the direction of Coach O. K. Wilson. Intramurals give the boy who is not good enough to make a varsity squad the chance to compete on a team and also to win a letter. There is competition in eleven sports with an intramural "M" being awarded to any boy placing in an individual event or playing on a winning team.

# Girls' Athletics

The Girls' Athletic Association, under the direction of Mrs. Virginia Mellis, sponsors activities for sports minded girls. The aim of this association is to promote interest in sports and improve sportsmanship. These organized sports develop teamwork and foster friendships. Soccer and hockey are the competitive games played in the fall, basketball and volley ball in the winter, and baseball in the spring. Points are accumulated during the year by participants in these sports, and awards are presented at the long-awaited spring G.A.A. Play Day.

Swimming is another phase of girls' sports. The two selective groups, Water Ballet and Terrapin Club, are under the guidance of Mrs. Gladys Paulson, director of the girls' athletic department. Each year in the spring, these groups present a water show which is second to none in entertainment.

Drama—a little word, but the time spent on perfection in this field is unbelievable. "D" stands for determination which all the talented students seem to have. "R" stands for the readiness of our "pride-and-joy" to do work. "A" stands for the ability which our students must have to obtain parts in the plays. "M" stands for the fine management which our drama department has in the persons of Miss Nuernberg and Mr. Klaus. And last of all, "A" stands for the audience which is just as important to the play as the actors. Put them all together and you have the ingredients for a fine performance. Each performance must be top-grade, for as a baker is a stiff critic for the cakes he eats, so are the Maine Township High School students hard folks to satisfy. Although no Maine students have ever hit Broadway, they're scored a bullseye right square in the hearts of all the viewers of every one of the annual junior and senior plays during this year, the past years, and if crystal balls are truthful, during the years to come.

The picture above is a scene from the Junior Class Play "June Mad." Left to right are Sandra Fox, Jim Bade, Nancy Dobey, Dennis Church, Bruce Buck, Miriam Wolf, Henry Black, Allen Blume, Donna Leggett, Joe Busch, Joyce Cosby, Jackie Clausen, and Dennis Smaage.

## Publications For 1950

## The Lens

Jim Duncan, Editor

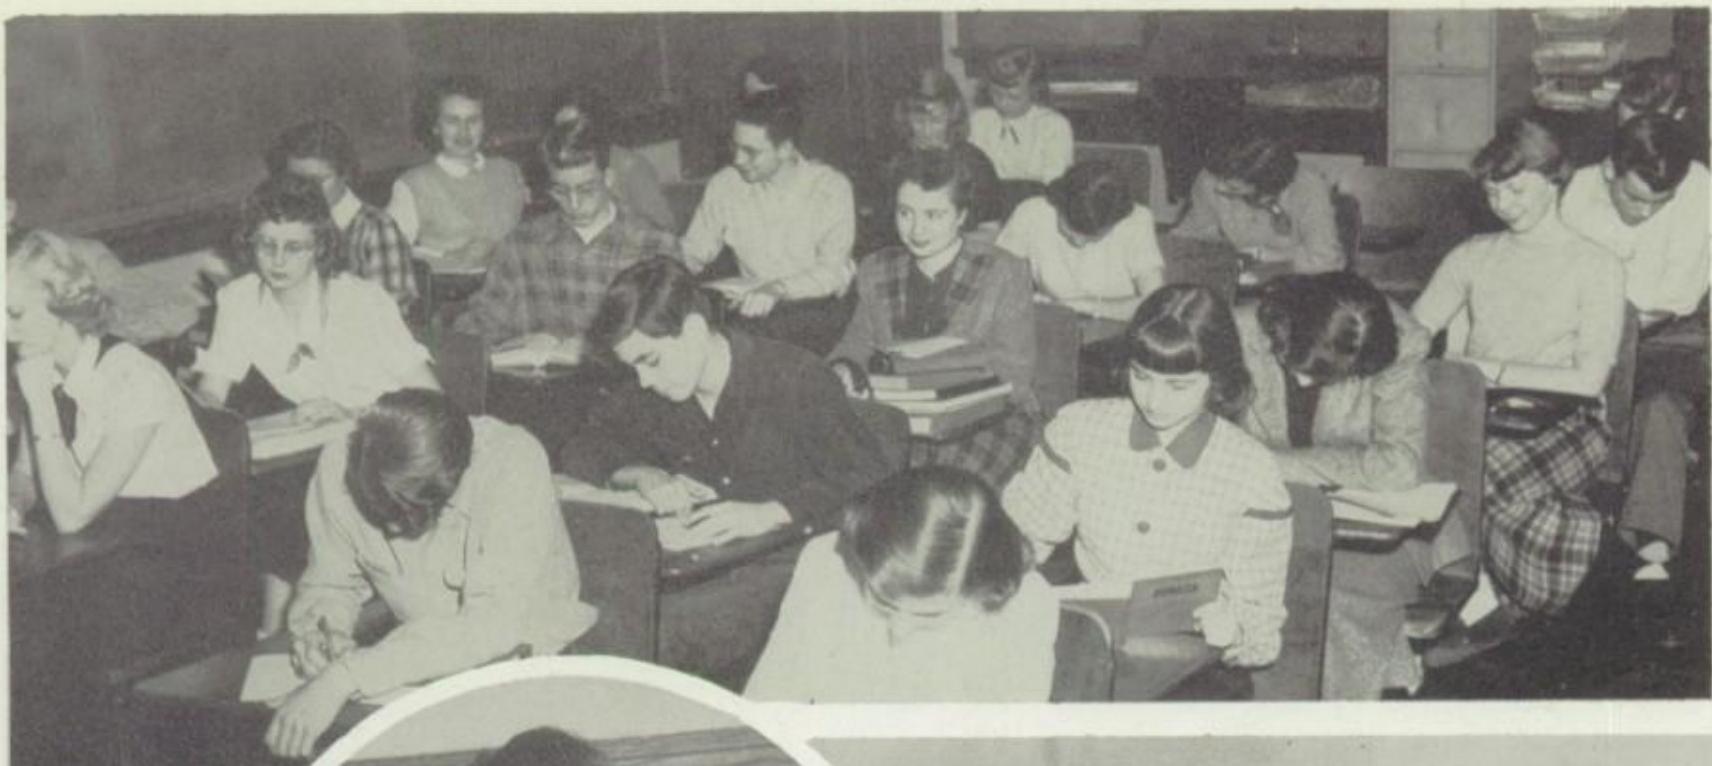

Room 211 is a center of activity from September until April. In this room many efficient staff workers, under the editorship of Jim Duncan and staff adviser, Mr. Pool, are working to make the '50 book meet the traditionally high standards of past yearbooks.

Scheduling some 250 group pictures and getting every one properly identified with a minimum of misspelled names requires patience, skill, and foresight.

The student body as a whole is unaware of the work that goes into one book. For instance; hundreds of candids are shot from which a few are selected. The copy is sometimes rewritten as many as ten times before it is approved to go to the printer. Lay outs and blackouts are made with great precision. Each picture in the book is measured and cut according to its corresponding layout.

The Lens staff is composed principally of seniors. The assistants are both seniors and juniors with the exception of a few sophomores who are working hard to obtain a high position in future years.

Many nights after school and some Saturdays are spent working to meet the required deadlines and get the copy off to the printers as scheduled, but the worry, rush, tedious work and late hours are well worth the finished product, The '50 LENS.

# FEATURES

## Student Council Executive Board

From the first day of school until the last bell has sounded in June, Council members are working to increase co-operation among the administration, faculty and students. They worked hard to put into effect new plans and activities after much rational thought had been given to these matters. This year the Council sponsored our first Homecoming parade, which was a success despite heavy rains. The Council also made us conscious of sportsmanship in its endeavor to win the Sportsmanship Trophy. Student Council Executive Board members standing are Mr. Kneer, faculty adviser; Bill Scharringhausen, student representative to the athletic board; Glen French, Sophomore Class president; Dunc Welty, sportsmanship chairman; Paul Johnson, Junior Class president; Jim Barrett, social chairman; Jim McLaughlin, Council vice-president; Steve Humes, service corps chairman; and Bob Glader, Senior Class president. The faculty casts the deciding votes for those who are eligible.

# Student Council Election

Election Week is the most exciting week during the year to many students. To some it means making huge signs and posters, coming to school early in the morning, or appearing in a skit during the assembly. To others it means making lasting friends and knowing each candidate's qualifications of scholarship, leadership, and friendship. The student body is left the choice of choosing the most dependable, capable, and enthusiastic leaders for next year's Student Council.

In the picture above are the final candidates for president and secretary of next year's student council. **Top Row:** Denny Malone, Jack Hayes, and Bob Thornton. **Bottom Row:** Paula Gibbs, Polly Remington, and Gwen Peterson.

# CLASSES

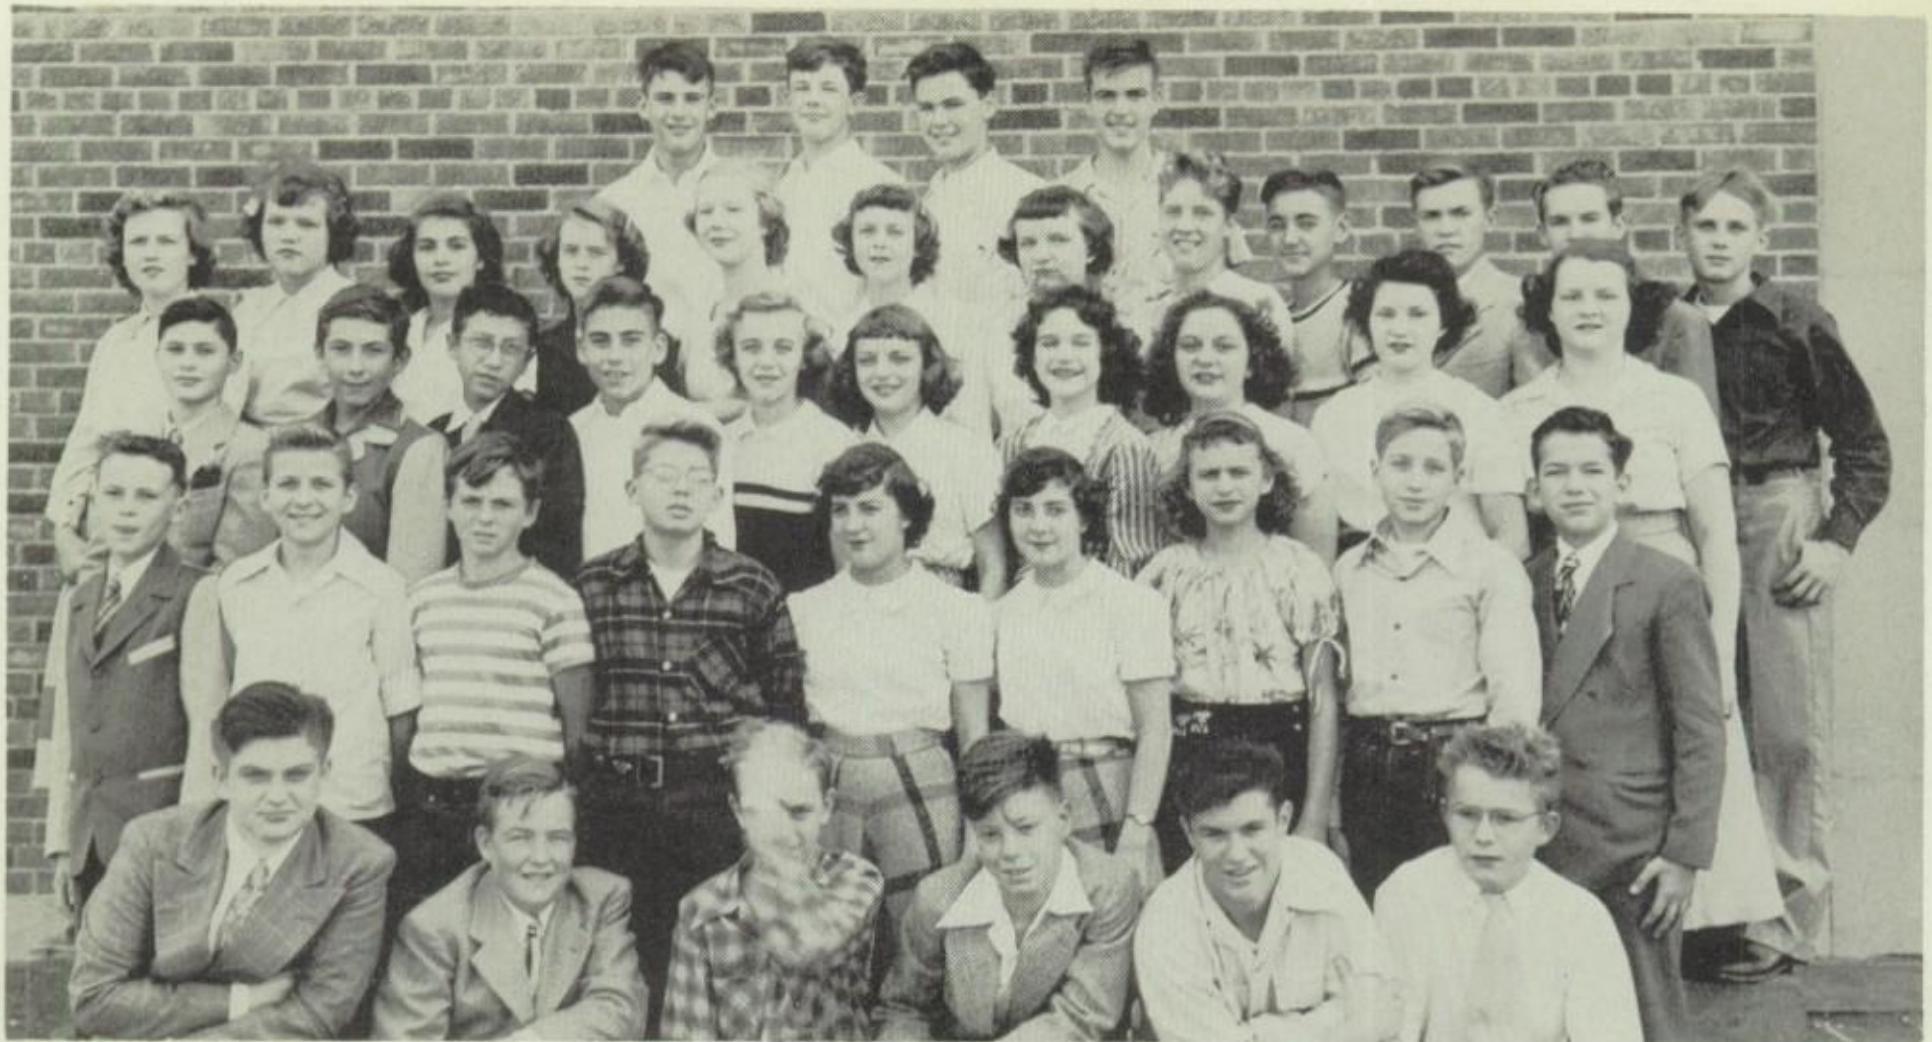

This year the class of '53, largest with a total enrollment of 507, was not able to participate in the homecoming parade due to heavy rain, but the freshmen will not have many disappointments to look back upon. For the first time this class sponsored an after school dance.

The above picture is of the freshmen class officers. Left to right are Howard Book, president; Clem Ryan, vice-president; Miss Roberta Iliff, sponsor; Ed Grabill, treasurer; Mr. Herman Rider, sponsor; and Anita Watts, secretary. The Student Council representatives left to right in the picture on the right are Craig Nelson, Sharon Warrington, Dave Carl, Dick Steiner, Ralph Kuechenberg, Rhea Peterson, Joyce Buck, and Betty Fischer.

The members of the class of '51 have had a year studded with important events. They energetically supported the annual junior play, which was a great success. College Day gave those students interested in further schooling a chance to talk with representatives of various colleges. Perhaps the most exciting occurrence, however, was turbulent election week. The juniors participated hectically in the campaigns for president and secretary of the Student Council. After election week, plans for the junior class party got under way. High on the agenda also was the junior-senior prom—the first for many juniors.

The juniors are now preparing to take their places in next year's graduating class. While some are a little wary of their last year at Maine, others are eagerly awaiting the chance to assume the responsibilities and prestige of their senior year.

On the pages which follow, are pictured more than 400 members of Maine's largest graduating class. This, their fourth year, is the one which they will remember most. Ask almost any graduate what year at Maine he best enjoyed and chances are he will reply, "My last one." So familiar have the seniors become with Maine and its daily routine throughout their four years that they have come to regard the building not only as an institution of learning, but also as a place filled with friendly people, a place holding memories of good times as well as piles of homework. Maine isn't just stone, bricks, steel, and mortar, but a living thing: alive and noisy during the school day, still

and brooding at night. As the Seniors pass down the corridors they recall with pleasure the parties, sports events, clubs, and dances, such as the Sock Shuffle, Harvest Holiday, Noel Nocturne, Candy Ball, and finally the Prom, which they have enjoyed during their life at Maine. The school will not forget the class of '50 either. There are the trophies and medals which senior athletes have helped to win. Seniors have contributed scholastically to our alma mater's reputation, too. They were well represented in the student council which boasted a fine record of accomplishment in solving various problems like that of seating during basketball games. When the record of the class of '50 is compiled and the net results added up, the seniors' reputation should be one to be proud of.

In the left hand picture are the class officers. Left to right: Miss Lowrey and Mr. Lussky, sponsors; Jane Meyer, secretary; Bob Glader, president; Carol Knudsen, treasurer; and Dunc Welty, vice-president. Above are the student council representatives. Back row: Donna Leggett, Carol Knudsen, Ann Lappham, and Jane Meyer. Front Row: Jim Barrett, Jim McLaughlin, Dunc Welty, and Jim Aspegren.
